The Evening Post.

WILMINGTON, N. C.

Tuesday, August 19th, 1873.

THE interest in the investigation before Justice Cassidey continues unabated. The Court House is thronged with an interested crowd and the startling disclosures and horrible details make one's blood shiver in their veins. A brief description of those now in the prisoners box will be read with interest.

Mrs. Carter is a frail little woman about twenty years of age, pale and with a very sad care-worn expression to her face, auburn hair and brown eyes. She wears a sort of a sun bonnet with no veil, and often puts her handkerchief to her eyes. Her imprisonment is telling upon her very severely, and she appears hardly able to totter up the stairs into the Court room.

The boy David Martin, is about thirteen or fourteen years of age, a pure black, with bright eyes and quite an interesting face. He looks incapable of committing the horrible crimes he himself admits with the most perfect nonchalance, and one would think, to hear his recital, that he was describing some scene in a butcher pen instead of one of the most terrible outrages ever committed in this vicinity. He has a pleasant voice and acts and speaks with the artlessness of innocent childhood.

Elijah Martin, David's brother, is one of those black men we sometimes see, with receding forehead and protruding jaw and lips, indicating ignorance and viciousness. He looks as though he might subsist as a chicken thief, but hardly of sufficient calibre to mount to the dignity of a burglar or a murderer. He is about nineteen years of age.

Billy Merrick is a bright mulatto, aged about nine years, innocent and playful, without the slightest comprehension of the scene about him. His actions, and his fortunate parent's ability to prove an *alibi*, will undoubtedly save him, though the evidence of the him.

Jimmie Anderson is much darker than Billy and a little larger, but a bright, active little fellow, and, it seems to us, incapable of being a party to this outrage, though the evidence of the boy David is direct, positive and with horrible distinctness and particularity as to his share in the murder.

These five are the only ones at present arrested, and the mystery remains as impenetrable as ever. The evident falsehoods of the boy David throw such a shadow of doubt over the whole investigation, that it sometimes seems as though he was the only criminal yet arrested. We hope that some corroborative evidence will be discovered ere long, that the public mind may be at rest.

Extensive preparations are being made to make the State Fair a success. Capt, Fulghum is certainly wide awake, and doing all in his power to make an entertainment worthy of the occasion. Among the other attractions will be a jubilee concert, with a chorus of five hundred voices, and an accompaniment of twenty-three pianos. This will be a great attraction, and a novelty in this State. The anvil chorus will be rendered with twenty-three pianos, and twelve anvils. We hope to be there to hear it.

Now, let our own Cape Fear Agricultural Association let us know what attractions we are to have. As a principle, we are opposed to these outside shows to draw a crowd at an Agricultural Fair, but sad experience has shown that they are necessary to make them pecuniarily a success. Will Colonel McKoy let us know what attractions we are to have, and if this year our Fair is a success we will advocate a regular Agricultural exhibition, without horse races, balloons or walkists to attract the people.

Capoul is studying English under the tuition of a young lady, an American, who has figured somewhat prominently in public. It is an easy way of picking up a language. M. Capoul has been in Paris, enjoying himself, for a few weeks, and will spend a short time at his villa near Toulouse previous to his departure for this country.

Miss Lydia Thompson will be married in London on the 28th instant to Mr. Alexander Henderson, for years her business manager, and sail for this country on the 31st. Mr. Henderson goes to Germany for a time for the benefit of his health.

A little son of Mr. A. J. McDonald, of Cumberland county, was drowned in a tub of water last week.

THE MURDER INVESTIGATION

STARLING DISCLOSURES.

MORE HORRIBLE DETAILS.

THIRD DAY'S PROCEEDINGS.

AFTERNOON SESSION.

Stacy Van Amringe sworn—I know Elijah Martin. Had him in the Work House, I should say about 2 months ago. Came from the City Couft and the commitment said "misdemeanor."

CROSS-EXAMINATION.

Never heard him utter any threats against Willie Carter.

Mrs. Wiggs recalled—I recollect something about Willie Carter. He came to my house one day last Winter and he was very cold. I asked him what was the matter, and he said he had been sitting on the steps of his ma's house until he was almost frozen. I sent him home with my grandson, and soon his mother came and I told her he had gone home. He came to my house one day and showed me some welts and marks on his arm and shoulder, and said his ma had put them there. I told him to tell his pa, and he said that wouldn't do, for if he told his pa, that she would kill him. He said she said that the Lord told her everything he said and did. There were ten or twelve marks on him. I don't know who whipped him, but I only know the marks were on him. Didn't examine him very carefully.

CROSS-EXAMINED.

I have often whipped my children. I have had seven. Never saw a child that didn't deserve it. I have whipped mine pretty tight. Don't know whether he was whipped as hard as I have whipped mine or not.

Willie Roberts sworn—I knew Wil- Carters whipping him. One evening when me and Willie was playing, he showed me some marks on his legs and thighs, and said his mother had whipped him with a walking stick. The marks were on his thighs and arms. They were black and blue.

CROSS-EXAMINATION.

This was about a month ago. My mother whipped me sometimes, but don't make bruises like that.

Oliver Kelly, sworn—I know David Martin. I recognize him as the boy I saw in jail an hour or two ago. I went down to the jail to-day and while there Mr. Sellars put some questions to him, and he confessed that he went into the water with Willie, and that he pushed Willie under water until he was nearly dead. He said that he and Elijah held his arm while Duke cut it off with a hatchet. He described the knife very minutely, but I didn't see it. He said that Mrs. Carter told him that if he killed Willie and mutillated the body, that it could never could be found out, and she would pay him $10.

CROSS-EXAMINED.

I heard the conversation in the jail. David said that he held Willie's head under water until he was nearly strangled; that he and Elijah held the body while Duke cut off his arm with a short handled hatchet. He said that Jimmie struck Willie with the stick and that he performed the mutilation with a knife he borrowed from Elijah. He wrapped up the flesh in a piece of paper and took it away, for Mrs. Carter had told him that if he did so they never would be arrested.

Benjamin Ruby, sworn—I have seen Mrs. Carter. I know her by sight; know Mr. Carter; never knew of their having any difficulty. A year or two ago I lived within half a square of them. Never knew of their having any difficulty on account of the child.

CROSS-EXAMINED.

I lived near them five or six months. Never knew of any trouble. Never heard of any ill-treatment at all. I was only home nights.

FOR THE DEFENSE.

Jack Hicks, sworn—I live between Eighth and Ninth streets and married David's mother. I was looking for him nearly all the morning last Monday. I hav'nt seen him from last Saturday a week ago until last Friday. I was at my house Monday and didn't see David at all. I came to tell you the truth. David's character is mighty bad. He is a bad liar.

CROSS-EXAMINATION.

I looked all about for David. Elijah and I went down the road looking for him, and about 9 o'clock we passed Mrs. Carter's house, and she asked Elijah who he was looking for, and he told her that we were looking for David. She kind a laughed and we passed on. I saw Elijah until 9 that morning, and then I saw him again at 1 o'clock. Mr. Wiggs sent for Elijah to go and get a harslet for his dogs, and they went to the butcher pen. About 5 o'clock Elijah came back with the skirts of the harslet, which he cooked and ate for his supper and lay down and went to sleep.

Alice Taylor recalled—I was at Mrs. Carter's last Wednesday, at about 8 o'clock. She was in the bed all that morning. I stayed with her until Mr. Carter came home that evening. I didn't see David that day. I was there all the time, and if he had come there I should have seen him. She was not up that day at all. She was in her bed all day. Late in the evening of the same day her husband came, she went up to Mrs. Adams'.

CROSS-EXAMINED.

Mrs. Carter stayed abed all day. I stayed at her house until dark, when her husband came and we went up to Mr. Adams together. There didn't no little boys come there at all that day. I was at Mrs. Carter's and stayed there until dark. At dark Mrs. Carter and I went to Mr. Adams'. I am certain about that. I didn't go out of the house that day. Didn't go on an errand. Mr. Carter didn't go up to Adams' house, but went off with some one else to supper, and I went with Mrs. Carter to Mr. Adams'. Don't know how long Mr. Carter was in the house, but I think it was about an hour. He was in the room with his wife crying.

Oliver Kelly, recalled by the State—One of David's statements was that when they were cutting off Willie's arm it quivered and scared him so that he let go of the arm, and that Elijah told him that if they didn't give him $2 a piece he would betray the whole of them.

Mrs. C. P. Bowles, sworn—I know Charlotte Hooper. I saw her last Monday between half-past 2 and half-past 3. She had a little fellow with her whom she called Billy. I cannot identify the boy.

Mr. Chas. H. Strode, recalled. I was at Adams' store at about half-past three o'clock, and Mrs. Carter was there on that Wednesday afternoon when Alice Taylor swears she was not out of the house. I was there again when the Columbia train came in with Mr. Carter, and she was there at Mr. Adams'.

CROSS-EXAMINED.

Am certain of the day. It was Wednesday. I was out looking for the boy David at the time. The body had been found, and was at the Union depot packed in sparks and sawdust.

A. H. Morris, sworn—I went up to make the arrests on Thursday afternoon and not on Wednesday.

Mr. C. H. Strode, recalled—I think the inquest was held on the body on Wednesday. I think it was the same day. I know that the Coroner asked me to go up to Mr. Adams' and see if anything could be found out about the boy.

Court took a recess until this morning at 10 o'clock.

FOURTH DAY'S PROCEEDINGS.

FOR DEFENSE.

J. D. Spriggs, sworn—I am a minister and school teacher. I know Billy Merrick. He is one of my pupils. He was at school on the Monday in question, on the corner of Seventh and Howard streets. He was there from 9 to 1 o'clock. I generally adjourn school at 2 o'clock, but as our roof is not completed, and as a large storm was coming up, I discharged school at 1 o'clock. I have a rule that every child shall go directly home after school. Billy came on that Monday to me, and said his sister Becky didn't go home the Friday before. and I whipped her. So I know that Billy was there. I am certain that he didn't leave before 1 o'clock.

Margaret Durand recalled. I saw Charlotte Hooper and Billy at my house between 1 and 2 o'clock. My house is about a mile from her house. I live at Mr. Hancock's and Charlotte came there between 1 and 2.

E. T. Hancock sworn—I can't say that I know Billy. I saw Charlotte Hooper at my house between 1 and 2 o'clock and she had a small boy with her. I didn't notice the boy particularly.

G. H. Adams recalled. Mrs. Carter slept at my house on Tuesday night.—She did not eat breakfast at my house Wednesday morning. The next time I saw her was on Thursday night, when she came to supper. Her husband had gone somewhere else. A woman called Alice was with her. I was at her house Wednesday, and she was abed. She was not at my house on Wednesday.

Jacob Fontz sworn—I stay at Mr. Adams' house. I was there all day Wednesday. She stayed there Tuesday night, and left early before breakfast. She came to Allen's on Wednesday evening. She laid on the bed nearly all day Thursday, and was arrested that night.

Billy Merrick, one of the defendants, was put upon the stand. I don't know anything about killing Willie Carter. After I left school I went down street with my mother. I went down to Dr. Anderson's, and then went to Aunt Mag Durand's. Then I went home.—Never got home till dark. I left ma at Aunt Mag's. It was sundown when I left there. I never heard of the death of Willie Carter until night. I heard what David said yesterday, but I never struck him because I warnt there. Mrs. Carter never told me about any $10.—Davy said Mrs. Carter offered me $10 to drown Billy, but she never did. I know her. I have been in her shop to get a watermelon, but she never told me she would give me $10. The first time I ever heard about it, was the night David came there with the police and arrested me.

CROSS-EXAMINED.

I was never at Mrs. Carter's except when I went to buy a watermelon.

Jimmie Anderson, one of the defendants was put upon the stand. I went out there with the boys and see when David and Elijah killed Willie Carter. Billy was there too. I went out there and Dave struck Willie with a stick and Elijah struck him, and then Dave pushed him down in the water and strangled him. I was right there and saw him. Dave cut the body himself. I would know the knife. It has got a mark on the handle like an X. It had two blades. One long and one short one. The knife had 2 blades one long one and one short. The little one had been broken off. David cut the body himself. He threw the flesh he cut off right down in the water. Elijah cut around the arm and then took a stick and broke the arm. It was the same knife. (Knife produced.) This is the same knife that David mutilated the body and Elijah cut off the arm with. I am sure it is the knife. No one helped him. The arm was lying down on the ground and Elijah took the knife and held the arm while he cut all around the arm and then laid it down on the ground and broke it with a stick. That is not the stick they broke his arm with, but that is the stick they hit him with. He had to give five or six licks before he broke the arm. After the bone was broken, the arm came right off. Elijah then threw it into the creek. Willie was lying there naked all that time. Elijah and Billy and Davy and I were all there. Don't know how we came to go. We had all started to go anyhow. We four went and Willie Carter was with us. On the way near the switches, David sharpened the knife on the railroad iron. David cut the stick. It was as long as my arms stretched out.—Dave cut it. When we got to the creek Dave and Elijah and Willie pulled off their clothes and went in swimming.—Dave ducked Willie, and he cried. Dave told him to hush crying, and Willie kinder cussed him, and Dave hit him with the stick. He called Dave a d—n fool. Dave struck him with the stick I told you about, but Willie never hit back. Dave hit Willie twice, once on the arm and once on the shoulder. Willie cried, but he didn't fall down. [Here the witness became so overcome that he nearly fainted, and it required the attention of the officers to resuscitate him. He had to be removed from the Court room in an exhausted condition, accompanied by his mother.

Walker Meares sworn—I was at Smith's creek yesterday when the clothing was found. Going from the Union Depot in a Northerly direction, you pass a cedar tree toward the branch, and you meet a path which winds through the thicket, until the path turns to the right, when you are on the bank of the creek, though hidden from the creek.—Passing the open space beyond, you reach a point about 150 yards of the track. Standing on this spot you are entirely concealed from view. A few steps from this spot you get a view of the creek so that one could see if anybody appeared from any distance. At the foot of this path, in it, near the water, stands a pine tree, with a straignt limb reaching out over the path, with a little moss on it. The jacket was found in the water very near to this limb. We found the jacket in about 4½ feet of water. The tide had been running up about an hour.—A little to the right of this limb and about ten feet from the shore.—The shirt had been found before, just about where the boy had said they threw the clothes, about fifteen feet from the tree. The jacket was found about ten feet from the tree, a few moments afterwards. The spot is very secluded. [Clothing produced.]—These are the articles. [The production of the little articles caused quite a sensation. The shirt is of dark colored striped material, and the jacket evidently of brown linen. Boy like, the unfortunate victim had stuck pins in the collar, with the points up.]

Mr. Carter was recalled. Those were the clothes worn by my son. [They were also fully identified by Mrs. Carter.]

L. M. Williams, sworn—I only heard one of the defendants make any remarks. It was David who told it, He said there were five present when it was done. He showed us the knife which he said was used to cut the arm. He said that the arm quivered so that he couldn't cut and threw the arm down. He said that Jimmie did the cutting. He identified the knife. That is the knife. [This is a different knife from the one Billy identified.] He said Dukeg was with them, but he is not here. I didn't pay much attention to what he said, for he has told so many conflictin stories. He said the knife was Elijah's.

Elijah Martin's statement—I don't know much about Willie Carter. On that Monday I met Willie Carter early in the morning, and asked him if he knew where Davy was, and he said no. Said if I saw David to tell him to come and go he knew where. I went up, looking for Davy, and found him near Chadbourn's mill. I told him Uncle Jack (my step-father) was looking for him. Ma told me not to tell Uncle Jack. I told him, however, but he promised not to tell it. I don't know anything about this affair at the creek. That is my knife. I got it from David Jackson.—That knife never touched any blood except a beef harslet since I had it. I came here to tell the truth.

CROSS-EXAMINED.

When I was looking for Davy, and Mrs. Carter said she did'nt know where he was. Davy told me he was behind the counter. I don't know anything about it. I ate my dinner at home. Between 1 and 2 o'clock Mr. Wigg's and I went out to the slaughter pen and stayed there about three-quarters of an hour. Mr. Wiggs told Mr. Jarrell to give me a harslet. After Wiggs left and Mr. Jarrell come, I had the fuss with Mack. I was in the pen when Ari come. (This was 3 o'clock). They had killed two before I got one, because I was told to get it of Mr. Jarrell, and I waited to see him. I never knew where the spot was at the creek and never heard of it until to-day.

BY JURY.

I was with the boys when we had a conversation about the $10. David said Willie Carter, if you step on my feet, I'm going to knock you down. Willie said no you wont, for I will tell my pa. Dave said, Elijah you know about the ten dollars. I told him I didn't believe anything about ten dollars. Dave said he could find some boys who knew Mrs. Carter said so. Willie said he was afraid of the boys, and told Dave Jackson to go home with him. I asked him if his ma ever said so, and he said he didn't know, but he was afraid and he left with Jackson.

BY THE COURT.

Mr. Carter said to me, "Elijah, you don't know anything about tbis, do you?" and I told him no. Davy said he never killed him for the $10, but that Willie had something that looked like a $20 bill in his hand, and they killed him for that.

Sol. W. Nash, recalled—David said he killed Willie for the $10, and that Billy was there, but didn't do anything. Said Elijah came up there when it was all over, and said he wouldnt have anything to do with it. That he started to cut his arm off, but that it quivered so that he threw it down and Duke cut it off.

Murphy Ward sworn.—I saw a little white boy and a light complected boy and David on that Monday. David went out a ways with me and met the white boy and the light complected one on the road and went on with me over the bridge at the creek, nearly at Mr. Hill's when we met the other two. I cannot state whether the defendant, Billy, was one of the party, but I am certain about David.

Jimmie Anderson having recovered, was brought into court and said: Elijah cut the arm off. He cut around it and then he took the stick and broke it. He cut it with the black handled knife. I have seen the other knife. Dave mutilated the body before the arm was cut off. He used the black handled knife. Soon after that, Elijah took the knife and cut the arm off. Elijah and Dave had both been in swimming and were naked. I had not been in swimming, but Willie had. Willie didn't go out very far. They didn't quarrel over the biscuit. I heard Dave say that Billy and Willie had joined poplars and that Billy went for Willie and I got on Billy and Dave went for me. This is not so. There was no biscuit there. Didn't know that Willie had any money. Didn't see any. Elijah walked out in the water then, clean up to his neck and gave the body a push out into the water and after it floated a little, I didn't see it any more, The body didn't bleed much when they cut it. I heard about David's putting the knife under the skin. That's a story.

CROSS-EXAMINED.

I ate dinner at home that day. Dno't know what time it was. As soon as I had my dinner I went away. I was mustering when I got back from the creek with the boys. The 2.30 train hadn't got in when I got back. It hadn't come in when I was at the creek. I was mustering with the boys when that train came in. I am telling what I saw and not what I heard. I didn't see Willie until I started out with him. I met Willie at the bridge on Nixon street, about a block from Willie's house, when I came there. Elijah, Billy, David and Willie were there when I came. I don't know Duke. We went from there to the creek. We all went together. We were all laughing and talking. I see Davy cut one stick that day. David and Elijah went into the water first; Willie Carter went in next. Elijah went in first, Davy went in second, and Willie went in last. Nobody else went in. When they got into the water, David ducked Willie, and then they came partly out, and Willie cried and called him a d—n fool. Davy then struck Willie twice with a stick, and then Elijah struck him side of the head. Davy said they wouldn't duck him any more, and Willie said all right. Davy struck him on the shoulder, and Elijah struck him on the head. After Willie had said all right, he went into the water, and Davy grabbed him and held him under the water a long time. Then he pulled him ashore, and David and Elijah dragged the body ashore, and Elijah cut around the arm, and then he took a stick and broke the arm. He mutilated the body after he broke his arm. He couldn't hollar when they cut his arm off, because he was dead. [Here the witness fainted, and had to be withdrawn.]

William Woodbury sworn.—I had a conversation with Dave yesterday. He said nobodp knew anything about that boy being killed except him and a fellow who had gone up the country. He said the boy had two dollars in his pocket, and that he was mad with him, and they fought about a biscuit. I went to Dave and asked him why he had the little boys in jail, he said no one knew about it except him and the fellow up the country. Said he asked the boy for a biscuit and he wouldn't give it to him and he got mad.

CROSS EXAMINED.

I don't recollect the night they came there, but I remember the time. I asked him about the trouble, and he said Willie Carter was drowned, and what could they do with him? I told him I didnt know. After having been there some time, he said Mrs. Carter offered him $10. Afterwards he said one of the boys did it, and again yesterday when I asked him about it, he said no one knew it but the fellow who went up the country. I have heard these two little fellows talk about it afterwards, but they always said they didn't know anything about it.

Mrs. Roberts sworn. I knew Willie Carter. I only know what Willie Carter told me himself. I reckon it was two months ago. He wanted to stay all night and I told him he couldn't stay there unless his parents knew it. He said he was hungry and afraid to go home. I gave him a couple of biscuits. He said his mother had whipped him three times that day and she had said that if he went home that night she would whip him to death, and he was afraid to go. He said his mother whipped him because she was going down street and he wanted to go with her.—He afterwards went to Schutte's store.

Dr. W. W. Lane recalled. I viewed the body of Willie Carter. I made no internal examination of the body. A physician generally waits for a request to make a post-mortem examination, from the Coroner. It is generally understood by the profession that physicians are seldom paid for their services in this matter. The physicians are all aware that their bills are denied and reduced by those having the pay of such services in charge in this county.

CROSS-EXAMINED.

Made no examination. for I was not asked to do so. This knife could have done the work. The knife may have been sharper then than it is now. I was not requested to make a post-mortem examination.

[The Court adjourned until to-morrow at 10 o'clock.]

AN ACT OF CRUELTY.—Chapped hands and face are the most serious annoyances that farmers, and people who labor much out of doors, experience from exposure. Exposed persons, especially children, repeatedly suffer intensely from great cracks upon the hands, that often bleed. It is cruel to allow one's self or others to suffer in this way, when the means of positive prevention are so easy to be had. and so cheaply, as to pay ten cents for a cake of Hand Sapolio. Hand Sapolio is not only better than the costliest soap for removing dirt, but it prevents chapping, and renders the skin soft and pliable. Sold everywhere. 1t

SEND YOUR ADDRESS.—A specimen copy of the *Southern Musical Journal*, (containing one dollar's worth of music,) will be mailed free of charge to every musician or lover of music in the South, who will favor the publishers with his address. Subscription price only one dollar a year, and a premium of sheet music to the value of fifty cents. Subscribers can select any music they desire for the premium. Send on the names, and see what a splendid magazine they are publishing. The August number has (in addition to the usual reading matter) a beautiful song "Take me back to your heart, Kitty Kearney," by Persley. "Angel of Night," a favorite waltz, by Kinkel, and "Webster's Funeral March," by Beethoven. All popular and pleasing. Ludden & Bates, publishers, Savannah, Ga.

The Goldsboro' *Messenger* says: On the night of the 8th instant, the store of Mr. James Barnes, at Fremont, was entered, and about one hundred dollars worth of merchandise taken therefrom. Strong suspicions rested on two negro men, Albert and Jim Morgan, and, on the night of Monday last, they were taken in custody by the proper authorities. A small portion of the goods were found under their dwelling. A preliminary examination before Justice Harrell resulted in the accused being forwarded to Goldsboro', where they might have an opportunity to view the magnificence of the summer clad landscape from the second story of the county jail.

STATE ITEMS.

Hon. D. M. Barringer is still seriously ill at the Greenbrier White Sulphur Springs, Va.

John Allen Ketchey, the notorious criminal, was tried and found guilty last week at Rowan Superior Court, on a charge of rape.

Five prisoners, confined in Wayne county jail on various charges, made their escape on Sunday at about twelve o'clock m., and are still at large.

The old original grape vine on Roanoke Island, which is three feet in diameter and nine feet in circumference at its base, said to have been planted there by Sir Walter Raleigh, over a century ago, and whose branches extend over several acres of ground, is yielding abundant and luscious fruit in its old age and it is said that as much as $3,000 is realized from the wine produced from its fruit in one year.

The Grand Musical Festival which is to come off in Raleigh during the week of the N. C. State Fair will be a grand affair. The *News* publishes the programme in full, by which it will be seen that competent scientific musical gentlemen are at the head of it and are to be assisted by five hundred amateur singers and performers, two dozen pianos, brass and stringed instruments, bell, anvils, &c. The Boston Jubilee must look to its laurels.

WAIFS.

Owen Meredith's poem of "Lucile" has been adapted to the stage for Mrs. Chanfrau, and will be a prominent feature of her *repertoire* next season.

Laura Keene emphatically denies that she is dying of consumption. She is merely recuperating at the sea-shore, and will play again the coming season as usual.

Madame Ristori does not seem to have lost heart by the unprofitable pecuniary results of her late season at Drury Lane. She appears again in October—this time at the Opera Comique.

The Italian journals make the important announcement that Piamonti, the celebrated tragic actress, and successor to the triumphs of Ristori, will accompany Salvini on his tour to this country.

Signor Salvini, the Italiah tragedian, brings to this country an entire stage outfit of scenery, costumes and properties. His exactness in regard to these adjuncts would not allow him to risk their preparation here.

A monument has been unvailed in the University of Naples bearing the inscription, "To Pope Clement XIV., who, by the bull of 21st of July, 1773, dissolved the Society of the Jesuits, the University of Naples dedicates this monument.

Among the new faces that will be seen on the American stage this season, that of Mr. G. Emery will prove especially welcome, if all is true that we hear of his talents. Mr. Emery ranks among the best character actors of the British theatre.

EDITORIAL BUDGET.

— The Imperial family of Russia will assemble to formally receive and welcome the Duke of Edinburgh, who goes to St. Petersburg in December next.—The marriage of the Duke with the Grand Duchess Maria will take place in the following month.

— M. Thiers arrived at Belfort Friday, in accordance with a promise long since made to visit that town after it had been evacuated by the Germans.—The inhabitants were very enthusiastic in their demonstrations of welcome to their distinguished visitor. The town was decorated with flags, and in the evening was very brilliantly illuminated. Later in the evening the ex-President was serenaded at his hotel.

— The *Courier* at Bayonne anticipates that the capture of the steam yacht Deerhound by a Spanish man-of-war will involve the governments of England, France and Spain in diplomatic correspondence, because the vessel which seized the Deerhound assumed the British colors, and the capture was effected in French waters. The yacht Deerhound is detained at San Sebastian. Colonel Stuart is a prisoner on board. The capture comprises 500 rifles and 100,000 cartridges.

— The cotton exchange committee on statistics and information have prepared a very full report compiled from letters received by them from July 31, to August 10, in answer to interrogatories previously sent out during the month of July to various points in the Southern States. From the reports received frem all the cotton bearing States the prospect of the cotton crop is very flattering. The weather has been favorable, but few worms have made their appearance in any locality, and but little actual damage has been done to the crops in any place. The reports are nether full nor precise enough to form a definite estimate of the area under cultivation, but the indications are that the crop will compare very favorably with that of last year. The picking will generally begin from the 1st to the 16th of September.

— A Berlin dispatch says that one of the events for which it is well to be prepared, is the death of the German Emperor. He is now at Ems, taking the waters, and is in fairly good health. Apprehensions about his case arise not so much from specific attacks of illness as from various signs, insignificant when taken apart, but full of significance when grouped together. His journey to St. Petersburg left, it is said, a bad effect on his constitution. It was thought that the Emperor's illness during the visit of the Shah was feigned, but his prostration was genuine and complete. It was caused by nervous suffering, brought on by the eccentricities of the guest. He was attacked with fainting one afternoon, and was unconscious for an hour. This fact has been carefully concealed from the public. In small matters the Emperor shows sometimes the weakness of a child. He is petulant and has a morbid dread of being left alone. His journey to Ems was undertaken against the advice of his physicians. They wished him to spend the summer at Pottsdam, and give his tired constitution a long term of rest. They have practically forbidden him to visit Vienna.

TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world." This line, the

ST. LOUIS & SOUTHEASTERN RAILWAY,

has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air-brake.

It is possitively the only line running Pullman Palace Drawing-Room Sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

The "St. Louis & Southeastern"

is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.

You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to CHARLES MCCABE, Southern Passenger Agent, near College street Depot, Nashville, Tenn., or to the undersigned.

W B DAVENPORT,
General Ticket Agent, St. Louis.

THE EVENING POST.

J. C. MANN,

EDITOR & PROPRIETOR.

Published every evening, except Sunday, at

Five Dollars per Annum.

The POST is designed to reach all classes of citizens, and its subscription price is therefore placed so low as to be within the reach of all. It contains the

LATEST NEWS,

up to the time of going to press,

TELEGRAPHIC,
BY MAIL,
COMMERCIAL
AND LOCAL.

It should be in the hands of every man who desires to know what has transpired during the day, and, as it aims to give

RELIABLE INTELLIGENCE,

its publisher hopes it will prove a welcome guest in many families.

THE POST

is sprightly without being sensational, and it carefully excludes all objectionable incidents and reports calculated to offend the sensibilities of the most fastidious. As an

Advertising Medium

it claims to be first class. It has a good and constantly increasing circulation, and is read by almost every business man in the city.
Politically the POST is

UNSWERVINGLY REPUBLICAN.

Its editor having been a consistent member of that party since 1855, through its vicisitudes and triumphs, he claims to speak advisedly when advocating its principles. He is not, however an "extremist," and accords to others what he claims for himself, the right of free thought and of free speech.

THE ADVERTISING RATES of the POST, like its subscription price, are at liberal and at living prices, as an examination of them will show, and it bespeaks a share of public patronage.

THE EVENING POST

is closely identified with the local welfare of the Cape Fear region, and the believers in progress, whether

EDUCATIONAL,
AGRICULTURAL,
MECHANICAL, or
COMMERCIAL,

will find an enthusiastic ally in THE POST.

THE POST

is opposed to monopolies, but in favor of internal improvements, and a firm believer in the patronage and support of home enterprises and institutions.

We especially call the attention to the following testimonials of the Paint:

C. P. Knight, Esq.—Dear Sir: I have used Bradley's Patent Enamel Paint on my dwelling last Spring, and am much pleased with it, and it looks as well now as when first painted, and consider it a good Paint. Yours, truly,
Creswell P. O., Hartford county, Md., Feb. 6th, 1873. A. H. STRASBAUGH.

THE PLAINS, FAUQUIER CO., VA., Feb. 6th, 1873.

Mr. C. P. Knight—Sir: The Paint came safely to hand as ordered—two kegs, five gallons each, and three buckets, one gallon each. As practice was slack, I did the job myself. Two weeks, (not constant work,) completed the house two coats. The last coat I applied thick, and it is now generally conceded that for enamel-like hardness, and body, and harmony of colors, there is not a handsomer job in the place. I saved sixty-five dollars by the operation, which is an item just now with Southern people. It should be generally adopted in this State. Any country lad can apply it. I have never dabbled in such stock as testimonials, but I feel so forcibly the great adaptability of your "Enamel Paint" to the wants of our people, in excellency of material, in beauty of color, and in the fact of its being "ready mixed" that I give you free permission, (if it is desirable to you,) to make what use you think proper of this letter.
Very respectfully and truly, S. McGILL, M. D.

TO THE PUBLIC—It affords me much pleasure to state that in July, 1871, Front Street Theatre was painted inside and out with "Bradley's Patent Enamel Paint," for which C. P. Knight, No. 93 West Lombard Street, is agent, and, to testify to its superiority over any and all other paints for similar uses. In no private dwelling can paint possibly be subjected to the very severe test it undergoes at this establishment, where, during our daily cleaning, soap and soda are constantly applied to it, and yet it appears as sound and fresh as when put on. Of the numerous advantages it possesses over other paints, I will only mention its being mixed and ready for use in quantities to suit purchasers, its quickly drying properties, which saves much time in the execution of work were paint is needed, and its very perceptible tenacity, which imparts beauty and durability to the objects on which it is used. As such I most earnestly recommend it to the merchants and tradesmen of our city, believing it will give them greater satisfaction than they can possibly anticipate.
WM. E. SINN,
Front Street Theatre.

BALTIMORE, April 25, 1873.

CHAMBERSBURG, December 10th, 1872.

Mr. C. P. Knight—Dear Sir:—The paints we received from you have been applied to several of our own buildings and to those of our friends, and have given entire satisfaction in covering qualities, in gloss, and in adaptability to all kinds of surface of material and we cheerfully recommend it, especially to that class of consumers who have to depend upon unknown parties, or painters to mix and furnish materials, wherein we have found the most deception.
Yours, truly,
JACOB STOUFFER & SON.

FROM HON. JOHN WETHERED.

Mr. C. P. Knight:—At the recommendation of a friend, I was induced to apply your patent "Bradley's" paint to my house. I have pleasure in stating that it has proved highly satisfactory, covering more surface than you promised, is more economical, carries better gloss than ordinary paint, and is freer from disagreeable odor.
Yours, Respectfully, JOHN WETHERED.

BALTIMORE, December 27th, 1871.

C. P. Knight, Esq., Agent for Bradley's Patent Enamel Paint—Dear Sir:—The paint we purchased from you we will cheefully endorse as the best of any kind we have ever used; its covering qualities is everything desired, drying promptly and with a hard gloss which must, we think, resist the action of all k nds of weather. This is our experience, and we can recommend it with certainty, and intend to use it on all occasions where we desire a goed job of work.
Very Respectfully, EMART & QUARTLEY, 270 W. Baltimore St.
House, Sign and Frescoe Painters.

PLEASANTVILLE, HARTFORD CO., MD.

Mr. C. P. Knight—Dear Sir:—I am very happy to inform you that your "Patent Enamel Paint" has given entire satisfaction. I prefer it to any paint I have ever seen used, and recommend it for durability and beauty as paramount to any other.
Very Respetfully, R. DICKEY, M. D.

NOTICES OF THE PRESS.

The ever-increasing circulation of this excellent monthly, proves its continued adaptation to popular desires and needs.—Indeed, when we think into how many homes it penetrates every month, we must consider it as one of the educators as well as entertainers of the public mind, for its vast popularity has been won by no appeal to stupid prejudices or depraved tastes.—*Boston Globe.*

The character which this Magazine possesses for variety, enterprise, artistic wealth, and literary culture that has kept pace with, if it has not led the times, should cause its conductors to regard it with justifiable complacency. It also entitles them to a great claim upon the public gratitude. The Magazine has done good and not evil all the days of its life.—*Brooklyn Eagle.*
